

It's Kindertime Toy Drive 2021

Hello Toy Drivers!

We at It's Kindertime Toy Drive pray all is well with you and your families! This year our toy drive will be held on December 22nd. This is the 23rd year for you, the heroes of our toy drive and what an unusual year it has been! Due to COVID-19 we will be doing a modified toy drive. This year instead of delivering toys, we will be showing our appreciation and love to some additional heroes who are also on the front lines battling the pandemic-our medical workers. They have put their lives and the lives of their families on the line while facing tremendous emotional stress. This year we would like to recognize you our first responders as well as our medical personnel.

Even though we will not be physically delivering toys, community groups and other organizations have been collecting, buying and disseminating toys throughout the month of December.

We want to keep everyone safe and healthy during this holiday season. To that end there will be no banquet inside the church. However, we will still caravan around the city to greet personnel at hospitals, the Bea Gaddy Family Resource Center, Kennedy Krieger Institute and the Ronald McDonald House. Now for the details!

- We will meet at *Huber Community Life Center* at 4:00 and leave at 5:30.
The address is 5700 Loch Raven Blvd. Baltimore, MD 21239
- The church has kindly allowed us to gather inside but please wear masks and maintain social distancing,
- We will do a drive-by of area hospitals, Bea Gaddy Family Resource Center, Kennedy Krieger Institute and the Ronald McDonald House.
- Blow your horns, use your sirens, play your music, as we drive throughout the City!

Thank you in advance for your cooperation. We feel this is the safest and most responsible way to do the toy drive. Thanks so much for your support over the years.

Pete and Beverly O'Neal
