Thank you for your interest in the **It's Kindertime Toy Drive**. The toy drive unifies police and other first responders with the community they serve. Each year the toy drive delivers toys to sick and needy children throughout the state of Maryland. Additionally, each year the toy drive is dedicated to fallen police officers and firefighters. This year we will be honoring the two fallen firefighters who died in a vacant building fire. Over the past 25 years we've been in operation, the toy drive has provided countless thousands of toys most of which have been delivered by police officers, firefighters and other first responders.

The toy drive begins after Thanksgiving and this year culminates on toy delivery night which is December 21<sup>st</sup>. Toy delivery night has in the past included a mile long caravan of over 100 police cars from many jurisdictions throughout the state of Maryland. Traditionally police and other first responders have personally delivered toys to hospitals and shelters.

A decorative border surrounds the text, featuring various blue and white snowflakes of different shapes and sizes. In the bottom-left corner, there is a stylized snowman wearing a black top hat and holding a broom. The background is a light blue gradient with small white dots scattered throughout, resembling snow or stars.

Please join us on Thursday, December 21<sup>st</sup>. There's usually entertainment and a chance to fellowship and eat. At approximately 5:30- 6:00 P.M. we leave Huber Community Life Center at 5700 Loch Raven Blvd. to visit various locations throughout the city. Again that's
